

Light Centre Therapist's Leaflets by Felix (Printing.com)

LEAFLETS

Therapists leaflets are 2 sided A5 and will be displayed in the centres. Note that only these Light Centre leaflets can to be displayed. There are a number of standard template headings to choose from to highlight your services; eg 'Massage', 'Counselling', etc.

BUSINESS CARDS AND APPOINTMENT CARDS

We also have a standard business card design with contact details on the front and either an appointment grid on the back or simply our logo. I expect that not everyone wants business or appointment cards but again, if you would like to display these, only the Light Centre cards are acceptable. I have also attached a PDF of the design of both of these too.

If you want to take part in this, please fill in the 'New User' form document and email that to the Studio at Felix on studio@felix.uk.com Felix will send you login details to the Light Centre design dashboard and you will then be able to choose a template, design your leaflet and pay for them directly on the website. It will also automatically give you the latest pricing information.

If you have any issues with the technology, please call the Studio at Felix on **01634 724080**.
